Chairs Report - Jacqueline Pattman

We have had a very busy year our ATACP committee have been working very hard to promote aquatic physiotherapy in many avenues

We have JP as chair with Sarah M Sarah C and Sarah W supporting as Vice Kirsten and Cecilia joined the committee last year and set to work straightaway.

Members

We now have 249 members

Accreditation we have three more Accredited aquatic physiotherapists thanks to the education team all Tutors and Alison Ann and Cathy for organising

Binu Cherian, Martine Barnes, Penny Maddock - congratulations to them all

Study days very many thanks to Grace Sarah M and Kirsten for coordinating

Last spring, we Had Ben Wilkins from Fluid Motion talking on Introducing data and Technology Julia Heady presenting theory and practical on Aquatic Therapy in the Management of the Elite Athlete

Autumn in Birmingham on With Daniel Hind feeding back preliminary data on the DMD study and Sarah Wratten presentation both Theory and practical Ai chi .Today we've had Questions to the expert panel and vestibular problems Aquatic Therapy in Balance and Vestibular Rehabilitation in the Inpatient Setting Sarah Herring and Georgina Hughes DMRC Headley Court

Pool Design Sarah C

SC reported that she is waiting for the introduction from Olive and then the document will be published together with "Safe at the Pool" from NCSPD. ATACP has also contributed to this book.

Planned full launch of Pool Design document and the award. Pool Award Launch today (With closing date Sept 2017).

Sarah C Has been to Edinburgh University to see first results presentation of Water research looking at EMG (muscle activity) of land v water exercises in LBP individuals. Hopefully they are going to present at next study day in Nov. (18th prob Birmingham)

Frontline

In the Swim Frontline article Hydrotherapy for patients with Tracheostomy with physiotherapist Bev Brodbelt Devon using the Aquather snorkel Hermomed Bringing copy to show you.

Fentanyl Patches:

Have interesting conversations about fentanyl patches for pain relief and warm water pools. Some people suggesting a contraindication!! Think we have managed to specify that water above 35 degrees is an issue but below is to managed approximately. May need some amendment in our next run of guidance! We along with the CSP have asked for guidance for patients awaiting response

Therapy Expo KG

KG is to spoke at Therapy Expo, Nov 2016. Ideas were requested from the committee as to what the key message should be. The Foundation Course accreditation should be the gold standard

ASA Aquatic Activity for Health Training

Have been approached ASA to help with their aquatic activity course. Very early stages and not sure about the quality so far! Might be one of the ATACP committee tutors goes to the pilot courses

This may raise our profile alongside ASA, particularly to Sports Therapy Association, BASRAT

NICE Susie H nice and secretary

Still a stakeholder in NICE new guidelines when they come out. Not sure if anything very relevant at the moment.

SH reported back on RA scoping workshop attended by Christina Scoringe. Physiotherapy was not being included within the update due to lack of any new research.

|--|--|--|---------------------------------------|
| | <p><u>Aqualines</u> Cecilia de Villiers asked for opinions from members on the future of Aqualines.</p> <ul style="list-style-type: none"> • Paper/electronic - there was a discussion around the pros/cons. Alison Skinner felt that departments often want a paper copy for the department. It was suggested that an opt in/opt out question should be set up ready for the next subscriptions 2018. • Content - amount of quality content received may determine the frequency of publication. Some members felt that bi-annually worked well and gave the opportunity to include information from the study days which members may not always be able to attend. <p>It was decided that a survey be sent to members to gauge opinion more thoroughly.</p> | <p>CV to survey members and discuss at next meeting. SH to add item to agenda.</p> | <p>April 2017 April 2017</p> |
| | <p><u>Increase in membership fees for 2018</u> It was put to the members whether membership fees should be increased from £15 to £20 for 2018. This would include a rise of £5 for all other categories of membership. The rise would provide monies to cover the increase in payments to speakers at study days, an increase in payments to assessors for the foundation course and an increase involvement in other projects, e.g. PWTAG, ASA. Vote for increase in membership fees for 2018: 26 For 4 Against 1 Abstain</p> | <p>SM to make changes to website and electronic payment for 2018</p> | <p>Jan 2018</p> |
